

Gardeners of Southern New Jersey!

Now is the time to begin potting up some of your extra native plants in time for the 5th Annual U.U.C.S.J.S. Native Plant Swap & Sale...

**NATIVE
PERENNIALS,
SHRUBS &
TREE SEEDLINGS
FOR
BACKYARD
HABITAT!**

**Saturday, May 4, 2013 • 9~2 PM (rain or shine)
at the UU Center, 75 S. Pomona Rd., Galloway, NJ 08215**

(at the corner of Liebig & Pomona, near the north entrance to Richard Stockton College)

Our purpose is to create and promote more backyard habitat in southern New Jersey by providing local gardeners with a source of inexpensive—or even free—plants. We'll be swapping native perennials, shrubs, and tree seedlings, as well as some non-natives that are especially beneficial to butterflies, hummingbirds, and birds.

How the Swap & Sale works:

BRING TWO (2) PLANTS TO COVER THE PRICE OF ADMISSION

These two (2) plants will be put into the plant sale OR planted in the UUCSJS Center's native plant gardens. You'll then receive a coupon for each additional plant you bring, and these entitle you to swap for a native plant of your choice—up to 10 swaps per person.

Plant swappers can also purchase additional plant-swap plants for \$2 each. *No plants to swap? You can still purchase up to three (3) plant-swap plants for \$2 each!*

✓ **Plant Drop-off Hours:** Friday, May 3rd, 4-6 PM & Saturday, May 4th, 8-10 AM
Please label your plants ahead of time. *Important Note:* Invasive plants will not be accepted.
