

*Gardening enthusiasts of southern New Jersey!*

*Now is the time to begin potting up some of  
your extra native plants in time for the 6th Annual  
U.U.C.S.J.S. Native Plant Swap...*

**NATIVE  
PERENNIALS,  
SHRUBS &  
TREE SEEDLINGS  
for  
BACKYARD  
HABITAT!**

*Our purpose is to create and promote more backyard habitat in southern New Jersey  
by providing local gardeners with a source of inexpensive—or even free—plants. We'll be swapping  
native perennials, shrubs, and tree seedlings, as well as some non-natives that are  
especially beneficial to butterflies, hummingbirds, and birds.*

**Saturday, May 10, 2014 • 9~2 PM** (rain or shine)  
**at the UU Center, 75 S. Pomona Rd., Galloway, NJ 08205**  
*(at the corner of Liebig & Pomona, near the north entrance to Richard Stockton College)*

*How the Plant Swap works:*

**BRING TWO (2) PLANTS TO COVER THE PRICE OF ADMISSION**

These two (2) plants will be put into the plant swap OR planted in the UUCSJS Center's native plant gardens.  
You'll then receive a coupon for each additional plant you bring, and these entitle you to swap  
for a native plant of your choice—up to 10 swaps per person.

*No plants to swap? You can still purchase up to three (3) plant-swap plants for \$2 each!*

**Plant Drop-off Hours:** Friday, May 9th, 4-6 PM & Saturday, May 10th, 8-10 AM  
Please label your plants ahead of time. *Important note:* Invasive plants will not be accepted.

*For more information, go to: [www.uucsjs.org](http://www.uucsjs.org)*

**Unitarian Universalist Congregation of the South Jersey Shore**

75 S. Pomona Rd., Galloway, NJ 08205 ~ (609) 965-9400 ~ [www.uucsjs.org](http://www.uucsjs.org)
