ORDER DEADLINE:
Friday, April 1, 2016

INSTRUCTIONS:

Again this year we are proud to offer a selection of superb native plants! For 2016—our 6th year—you can choose from among: **(A) 8 Trees, (B) 20 Shrubs, and (C) 30 Perennials**, and again, we are offering **2 Special Collections** designed to jumpstart your backyard habitat by attracting birds, butterflies, bees, and other pollinators (see below).

TO ORDER, please mark your choices on the pages that follow and complete the Order Form by adding up the number of plants in each category and entering the total amount of your order on the last page. **Orders must be pre-paid by check or money order payable to U.U.C.S.J.S.** (preferred method), **or in cash**, by or before **Friday, April 1, 2016**. Order Forms may be dropped off at the Social Justice table in the foyer of the UU Center on Sunday mornings, or you may mail your completed form with your payment to: **U.U.C.S.J.S. Native Nursery-Grown Plant Sale, P.O. Box 853, Pomona, NJ 08240. Thank you for your order!**

SHRUBS & TREES in #3 containers (10" diameter x 11" deep) are so noted in the "Size" column. **All other SHRUBS & TREES** come in either **#1** (6" diameter x 7" deep) or **#2** (8" diameter x 9" deep) **containers**. **PERENNIALS** are priced individually and come in **1 quart containers** or in two cases only, **#1 containers** (noted).

IMPORTANT NOTE: Some plants listed may be unavailable due to losses during the growing season, or quantities may be limited for some species. **Plants will be available on a first come, first served basis.** (If your order cannot be filled, a full refund will be made.)

~All native plants are genetically adapted for our area and provide food in the form of nuts, seeds, berries, fruits, leaves, pollen, and nectar that best meet the needs of butterflies and other pollinators, as well as hummingbirds and other birds & wildlife.

NATIVE SHRUBS & TREES ARE LONG-TERM INVESTMENTS IN PROMOTING SUSTAINABLE LANDSCAPING!

***Purchase 10 or more shrubs and/or trees and receive your choice of one of the following free:**

Winterberry holly ~ Highbush blueberry ~ Red chokeberry ~ Arrowwood viburnum

(Indicate your choice at check-out on page 5)

► "Woodland Garden Gems" Collection

Our new collection includes **one (1) each of the eight (8) different Woodland Garden Gems** listed on pages 3-4. Perfect for naturalizing in shade or part-shade locations!

Collection includes: 1 Canada Columbine, 1 Green-and-Gold, 1 White Wood Aster, 1 Alum, 1 Great Blue Lobelia, 1 Bluestem Goldenrod, 1 Zig-Zag Goldenrod, 1 Foamflower. ► *Free container of Lyre-leaf Sage.*

Nine (9) plants total for \$50! (order on page 5)

► "Spring-Fall Pollinator Collection

Here's a wonderful, money-saving starter collection or a great gift or addition to any garden. The collection includes **ten (10) species of dazzling native perennials** that will provide bees, butterflies, and other pollinators with excellent sources of nectar and pollen from May through October.

Collection includes: 3 Swamp Milkweed, 3 Butterfly Weed, 1 Ironweed, 2 Joe-Pye Weed "Little Joe," 3 Liatris, 2 Purple Coneflower, 1 Seaside Goldenrod, 2 New England Aster, and 1 Zizia. ► *Free container of Hoary Mountain Mint.*

Nineteen (19) plants total for \$99! (order on page 5)

*New this year!

(A) TREES

Native trees are the keystone species in any functioning backyard ecosystem.

When we think of planting a tree, we tend to think of "specimen" trees—a single tree surrounded by lawn. However, you can maximize environmental impact by planting groupings of trees with an understory of smaller trees and shrubs in tree/shrub islands, on edges, or along property borders.

KEY *Plant beneficial to:* Bd=bird, Hm=hummingbird, Bf=butterfly, BfHP=butterfly host plant, MHP=moth host plant, WL=wildlife, Po=pollinator

	Description		Size	Price per plant	Quantity	Amount
River birch <i>Betula nigra</i>	Fast-growing, multi-stemmed tree with pinkish-gray exfoliating bark & arching branches, birds feed on catkins & flower buds, drought-tolerant once established, 40-70'	Bd, BfHP, MHP, WL	3-4'	\$21 (3 for \$58)	_____	\$
* American hornbeam <i>Carpinus caroliniana</i>	Small, understory tree with distinctive, smooth, fluted bark, 2-4" dark green leaves turn yellow, orange or scarlet in fall, distinctive leaf bract encloses nutlet, 40-60'	Bd, MHP, BfHP, WL, Po	2-3'	\$21 (3 for \$58)	_____	\$
Hackberry <i>Celtis occidentalis</i>	Mid-sized tree, dark purple fruit a bird favorite, HP for five (5!) Bf species: question mark, eastern comma, hackberry emperor, tawny emperor, American snout, 40-50'	Bd, BfHP, Po	2-3'	\$21 (3 for \$58)	_____	\$
Redbud <i>Cercis canadensis</i>	Understory tree with distinctive heart-shaped leaves, blooms in early spring, pea-like magenta flowers grow from twigs, trunk, and branches, 10-30'	BfHP, MHP, Po, WL	3-5'	\$21 (3 for \$58)	_____	\$
Red cedar <i>Juniperus virginiana</i>	<i>A must have!</i> Evergreen! Provides crucial early spring nesting sites & year-round shelter, abundant whitish-blue, berry-like cones essential to migrant & winter birds, 25-40'	Bd, BfHP, MHP, WL	24-30"	\$21 (3 for \$58)	_____	\$
Black cherry <i>Prunus serotina</i>	Host plant for 10 species of giant silk moths and 5 species of butterflies, provides berries for 70 (!!) species of birds; blooms in late spring, berries in summer, 50-70'	Bd, MHP, BfHP, WL, Po	4-5'	\$21 (3 for \$58)	_____	\$
* Scarlet oak <i>Quercus coccinea</i>	Oaks are ideal for supporting wildlife! An important mast producer, 3-7" long, lobed leaves bright red in spring, dark green in summer, scarlet in fall; does well in sandy soil, 70'	Bd, MHP, BfHP, WL, Po	3-4'	\$21 (3 for \$58)	_____	\$
* Sassafras <i>Sassafras albidum</i>	Small tree, unusual leaves, 1-, 2- & 3-lobed on same tree, yellow flowers in spring, peach fall color, dark blue berries sought after by birds, 30-60'	Bd, BfHP, MHP, WL, Po	18-24"	\$21 (3 for \$58)	_____	\$

(B) SHRUBS

Plant shrubs in groups of three for best impact.

Perfect in the partial shade of trees, on the edges of shrub/tree borders, as foundation plantings, and as hedges. Plant shrubs near bird feeders and bird baths to provide cover from predators.

KEY *Plant beneficial to:* Bd=bird, Hm=hummingbird, Bf=butterfly, BfHP=butterfly host plant, MHP=moth host plant, WL=wildlife, Po=pollinator

	Description		Size	Price per plant	Quantity	Amount
Serviceberry (Shadbush) <i>Amelanchier laevis</i>	Multi-stemmed shrub, lovely white flowers bloom in April, bloom in very early spring, birds compete for edible red-purple berries in June, salt-water tolerant, 6-20'	Bd, MHP, WL, Po	4-6' #3	\$26 (3 for \$72)	_____	\$
Bearberry <i>Archostaphylos uva-ursi</i>	Low growing, evergreen groundcover, pinkish-white flowers in early spring, dark-green, glossy leaves turn bronze to red in fall, red berries, sandy soil, 8" high x 2-4' wide *(very full growth spreads over pot sides)	Bd, Bf, BfHP, WL, Po	3-6"*	\$21 (3 for \$58)	_____	\$
* Pawpaw <i>Asimina triloba</i>	Multi-stemmed shrub or small tree, appears tropical with simple large leaves, maroon flowers in early spring followed by 2-5" long oblong fruit, 8-20'	BfHP, MHP, WL, Po	6-12"	\$13 (3 for \$36)	_____	\$
* American beautyberry <i>Callicarpa americana</i>	Hard-to-find, mounding shrub with arching stems, pink, 4-petaled flowers bloom over the summer, followed by bright magenta berries, 3-8'	Bd, WL, Po	2-3'	\$13 (3 for \$36)	_____	\$
New Jersey Tea <i>Ceanothus americanus</i>	Small, much sought-after shrub, showy white flowers, attractive to butterflies, does well in poor, dry soils, HP for summer azure, grows slowly to 2-3'	Bd, Bf, BfHP, Po	18-24" #3	\$26 (3 for \$72)	_____	\$
Buttonbush <i>Cephalanthus occidentalis</i>	White flowers in round ball-like heads, blooms in mid-summer, medium size, prefers a moist site, perfect near a drain spout, terrific Bf nectar source! 3-8'	Bd, MHP, Bf, BfHP, WL, Po	2-3'	\$13 (3 for \$36)	_____	\$

(continued on following page)

* *New this year!*

(B) SHRUBS (continued)

KEY *Plant beneficial to:* Bd=bird, Hm=hummingbird, Bf=butterfly, BfHP=butterfly host plant, MHP=moth host plant, WL=wildlife, Po=pollinator

	Description		Size	Price per plant	Quantity	Amount
Sweet pepperbush <i>Clethra alnifolia</i>	Sweet-scented white flowers in long racemes, very important nectar source for Bfs with its July-September bloom-time, great alternative to butterfly bush, 3-8'	Bd, MHP, Bf, BfHP, Po	12-18"	\$13 (3 for \$36)	_____	\$
Silky dogwood <i>Cornus amomum</i>	Multi-stemmed shrub, grows as wide as tall, reddish branches, creamy white flower clusters in June attract pollinators, small blue berries, 4-8'	Bd, MHP, Bf, BfHP, WL, Po	18-24"	\$13 (3 for \$36)	_____	\$
* American hazelnut <i>Corylus americana</i>	Lovely, multi-stemmed shrub, dark-green, simple leaves turn yellow in fall, sweet brown nut a wildlife favorite, perfect for a shaded edge, 5-10'	Bd, MHP, WL, Po	2-3'	\$21 (3 for \$58)	_____	\$
Inkberry holly <i>Ilex glabra</i>	Shiny, small, deep-green leaves provide shelter for birds year-round, thorn-free and evergreen, small white flowers, black berries persist into winter, dioecious, 3-6'	Bd, MHP, BfHP, WL, Po	12-18"	\$13 (3 for \$36)	_____	\$
Winterberry holly <i>Ilex verticillata</i>	Medium-size, deciduous, multi-stemmed shrub, birds feed on bright red berries clustered on twigs and persist into winter (very ornamental!), dioecious, 5-9'	Bd, MHP, WL, Po	3-4'	\$13 (3 for \$36)	_____	\$
Virginia sweetspire <i>Itea virginica</i>	Small shrub, dark green leaves contrast with arching 6" long racemes of white, spring flowers; leaves turn red-purple in the fall: stunning! 4-6'	Bd, Bf, WL, Po	12-18"	\$13 (3 for \$36)	_____	\$
Sweetbay magnolia <i>Magnolia virginiana</i>	Small, slender, semi-evergreen, shrub or small tree, large showy aromatic flowers, dark green leaves whitish beneath, unusual upright "cone" of red fruit, 10-30'	Bd, MHP, BfHP, WL, Po	3-4'	\$21 (3 for \$58)	_____	\$
Wax myrtle <i>Morella cerifera</i>	Evergreen shrub, more southern than bayberry but does fine here, whitish waxy berries an important food source for migrating birds, salt water tolerant, dioecious, 5-15'	Bd, BfHP, WL	3-4'	\$13 (3 for \$36)	_____	\$
Red chokecherry <i>Photinia pyrifolia</i>	White rose-like flowers in flat-topped clusters appear in late April, important nectar source for Bfs, lustrous green leaves turn bright scarlet, attractive red fruit, 5-10'	Bd, MHP, Bf, BfHP, WL, Po	12-18"	\$13 (3 for \$36)	_____	\$
* Ninebark <i>Physocarpus opulifolius</i>	White-pinkish, 5-petaled flowers in flat-topped clusters mid-May to mid-June; member of Rose family; good pollinator shrub, dense branches provide cover for birds, 3-6'	Bd, WL, Po	12-24"	\$13 (3 for \$36)	_____	\$
* Scrub oak (Bear oak) <i>Quercus ilicifolia</i>	Small- to medium-size, very attractive, multi-stemmed shrub or small tree of dry sites, acorns prized by wildlife, 4-10'	Bd, BfHP, MHP, WL, Po	2-3'	\$21 (3 for \$58)	_____	\$
* Meadowsweet <i>Spirea latifolia</i>	Multi-stemmed small shrub (3-5'), blooms late spring into summer, white to pink flower clusters, long bloom, time, terrific pollinator plant!	Bd, Bf, WL, Po	18-24"	\$13 (3 for \$36)	_____	\$
Highbush blueberry <i>Vaccinium corymbosum</i>	Attractive, bell-shaped flowers produce abundant edible berries, scarlet fall foliage & red stem color, a winner! BfHP for spring azure, salt-tolerant, 4-8'	Bd, Bf, BfHP, MHP, WL, Po	12-18"	\$13 (3 for \$36)	_____	\$
Arrowwood viburnum <i>Viburnum dentatum</i>	Rounded, opposite, toothed, deep-green leaves turn dark bronze to red, showy white flowers in upright clusters, dark blue fruits, salt-tolerant, 5-10'	Bd, MHP, Bf, BfHP, WL, Po	12-18"	\$13 (3 for \$36)	_____	\$

(C) PERENNIALS

Perennial flowers and groundcovers provide pollen, nectar, or leaf food for butterflies, moths, other native insects, birds, and other wildlife.

- Several listed below are also essential butterfly host plants.
- Plant perennials in groups of three (3) or more to maximize environmental value.

▶ "*Woodland Garden Gems*"

These plants are all perfect candidates for shade or part-shade locations in tree/shrub borders. These gorgeous bloomers will provide important nectar and pollen for pollinators while naturalizing by spreading or self-seeding, and so increasing your native wildflower understory with each coming year.

	Description		Size	Price per plant	Quantity	Amount
* Canada columbine <i>Aquilegia canadensis</i>	Showy, nodding, scarlet-orange flowers with yellow center pollinated by hummingbirds in late spring; self-seeds to form a lovely display, 1-2'		Qt	\$6 (3 for \$16)	_____	\$
Green-and-gold <i>Chrysogonum virginianum</i>	Superb groundcover! Golden yellow 1" daisies in spring through early summer, forms dense dark-green mats, 6-12"		#1	\$10 (3 for \$27)	_____	\$

(continued on following page)

*New this year!
